### NEWSLETTER No. 27

#### 1st Wednesday of the month

Wendy is getting increasingly concerned that she is unable to fit in demo practices these days so it was put to committee that we allocated one Wednesday class a month for this. It was unanimously agreed by all present that it would be a good idea to allocate the first Wednesday of the month for this purpose. However, this does not exclude anyone from attending - it simply means that some of the dances that evening will be ones used for demonstration purposes. During the evening everyone will be invited to learn a selection of dances which we can then use as demo sets. Hopefully this will mean that in future we will have a good selection of dancers who can do a demo at the drop of a hat; something we have been dangerously close to doing anyway!

#### September workshop

A big thank you to all the teachers involved; it was such a success and we now hope to repeat a similar workshop in the future.

#### Haggis Supper

Due to unforeseen circumstances there will be no Haggis Supper in January 2007. However, normal service will be resumed in 2008 and the hall has already been booked at Littleton for the event.

#### Subscriptions are due.

Membership is still £14.00 per annum, entitling you to the society's bulletins and a discount on items sold at HQ. You also have to be a member of the society to attend summer or winter school.
